Dated the 22nd of May 2025

NOTICE

It has been brought to the attention of the authorities and management of VIMS that Postgraduate students are exiting the main gate of the campus late in the night without entering any details at the gate. The management authorities were concerned regarding the safety of the PG students who are venturing outside the campus during late night.

Taking into account of the security and safety of students, all PG students venturing out of the main gate of the campus after 09:00 PM are instructed to register their exit and entry at the main gate records. Further, it is requested that no student shall enter into an altercation with the security personnel at the gate for being stopped and asked to make the necessary entries.

Please understand that the measures are taken for the safety and security of the students as the stretch of highway is very dangerous for light vehicular traffic in the night. All PG students are requested to avoid venturing outside the campus after 09:00 PM, unless absolutely necessary.
