Moh. Atta Mandi Dhanaura (Amroha) U.P Pin code - 244231

ABOUT ME

- I am a dedicated microbiology postgraduate with a strong passion for research and industrial development. My expertise lies in microbial analysis, laboratory techniques, and data interpretation. With hands-on experience in microbiological testing, I aim to contribute effectively to quality control and regulatory processes in the industry.

OBJECTIVE

Seeking a position in Quality Control (Microbiology Department) where I can apply my skills in media preparation, microbial culture techniques, and analytical microbiology to drive innovation and ensure compliance with industry standards.

EXPERIENCE

- Fresher

INTERNSHIP

- Teva API India Pvt. Ltd (Gajraula), as a intern from March 2025 - April 2025.
- Akum's Skill Development Centre, Sidcul Haridwar | June 2024 - October 2024.
- *Microbiology Intern* | Norex Flavours Pvt.Ltd, Mandi Dhanaura | January 2023 - March 2023

EDUCATION

- 2023-2025 • **M.sc Microbiology**
IFTM University, Moradabad
- 2020-2023 • **B.sc Microbiology**
Disha Institute of Science and Technology (MJPRU)
72.2%
- 2019-2020 • **12th**
CBSE Board
67.4%

HANDS ON INSTRUMENT

- Autoclave.
- Laminar Air Flow.
- Bacteriological and B.O.D Incubator.
- Passbox
- Hot Air Oven.
- pH Meter.

KEY SKILLS

- Excellent Communication skills.
- Positive Attitude.
- Basic Knowledge of computer.

PROFESSIONAL SKILLS

- Basic Knowledge of HPLC and GC.
- Media preparation.
- Isolation and preservation Techniques of Microbial Culture.
- Gram Staining.
- Microbial Limit Test (MLT).

INTERESTS

- In the field of research and industrial development.
- To learn new things
- Enhance practically knowledge.

LANGUAGES

- English and Hindi

DECLARATION

- I genuinely declare that all the facts mentioned above are true to my faith and I am answerable for its accuracy.
