Professional Profile

Dedicated orthopaedic surgeon with clinical and surgical experience in trauma, arthroplasty. My keen interest is also in arthroscopy cases and I have assisted in more than 100 arthroscopy and various sport injury cases. Skilled in managing intertrochanteric and periarticular fractures, and trained in hip and knee arthroplasty surgeries. Committed to evidence-based practice, academic research, and advancing orthopaedic patient care.

Career Objective

To excel as an orthopaedic surgeon specializing in trauma, arthroplasty, and arthroscopy while contributing to research, medical education, and community healthcare.

Professional Experience

- Orthopaedics (2022 – Present)
 - Yashoda Hospital and Research Centre, Ghaziabad
- Assisted in hip and knee arthroplasty, spine surgeries, and arthroscopies.
 - Independently managed trauma cases including periarticular fractures, acetabular fractures, pelvic injuries & various types of spinal fixation & fusion.
 - Active involvement in OPD, ward management, and emergency trauma care.
 - Thesis: "Management and Outcome of Intertrochanteric Fracture by Trochanteric Fixation Nail Advanced in Elderly Patients"

- Rotatory Internship (2020 – 2021)
- HERITAGE INSTITUTE OF MEDICAL SCIENCES, VARANASI.

- Completed postings in Medicine, Surgery, Orthopaedics, Paediatrics, Gynaecology, Ophthalmology, ENT, and Community Medicine.

- Acquired broad clinical skills across specialties with strong exposure in orthopaedics.

Education

- D.N.B. Orthopaedics – YASHODA HOSPITAL & RESEARCH CENTRE, GHAZIABAD (2022 – Present, expected 2025)
- M.B.B.S. HERITAGE INSTITUTE OF MEDICAL SCIENCES, VARANASI (Completed 2021)
- Senior School Certificate (2014) – SURAJ SCHOOL, REWARI
