Objective

I seek challenging opportunities where I can fully use my skills for the success of the organization. Recent MBBS graduate seeking a Junior Doctor position at RAMA Hospital to apply rigorous academic training and foundational clinical skills. Passionate about preventive care, patient wellness, and contributing to a collaborative healthcare environment.

Experience

- Saraswati institute of medical science Hapur** 09-05-2025 - 08-05-2026
Intern
 - Completed my 1yr internship in all departments Rotated through clinical departments including Medicine, Surgery, Pediatrics, OB-GYN, Orthopedics, and Emergency Medicine.
 - Evaluated patients by conducting physical examinations, ordering appropriate diagnostic tests, and interpreting results under senior supervision.
 - Assisted senior residents and attendings in minor and major surgical procedures and daily ward rounds.
 - Managed emergency admissions, triaged patients based on severity, and administered first-line treatments.
 - Communicated effectively with patients' families regarding diagnosis, treatment plans, and daily progress.

Education

- Chaudhary Charan Singh University Meerut** 2021-2025
MBBS

Skills
