PROFESSIONAL SUMMARY

Motivated and detail-oriented B.Sc. Forensic Science graduate with a strong academic background in forensic investigation, crime scene management, evidence collection, laboratory analysis, and scientific documentation. Skilled in analytical thinking, problem-solving, laboratory safety, and maintaining the chain of custody during evidence handling. Passionate about contributing to criminal investigations through scientific methods while maintaining the highest standards of accuracy, integrity, and confidentiality. Seeking an entry-level opportunity in a reputed Forensic Science Laboratory (FSL/CFSL), Police Department, Medical Laboratory, Healthcare Organization, Research Institute, or Quality Control Laboratory to apply my knowledge and continuously develop my professional skills.

CAREER OBJECTIVE

To obtain a challenging position in a reputed organization where I can utilize my knowledge of forensic science, laboratory techniques, evidence handling, and analytical skills while contributing to the organization's success and continuously enhancing my professional expertise.
