PROFESSIONAL PROFILE

Highly accomplished and detail-oriented Otorhinolaryngologist trained at the prestigious AIIMS Bilaspur. Proven clinical expertise in executing complex emergency airway management, otologic/rhinologic surgeries, and head-neck oncology. Recognized nationally for diagnostic acumen (1st Place, ISOCON Quiz 2024). Committed to delivering patient-centric care, executing high-stakes surgical interventions, and driving clinical excellence in dynamic, high-acuity medical environments.

CLINICAL & SURGICAL EXPERIENCE

Resident Otorhinolaryngologist & Head-Neck Surgeon: All India Institute of Medical Sciences (AIIMS), Bilaspur

- **Surgical Excellence:** Independently executed complex otology and rhinology procedures (tympanoplasties, septoplasties, endoscopic sinus surgeries) with high precision and optimal patient outcomes.
- **Emergency & Trauma Response:** life-saving airway interventions, including emergency tracheostomies, epistaxis management, and stabilization for acute trauma, deep neck space infections, facial palsy and sudden SNHL.
- **Oncology & Reconstruction:** Assisted in complex surgical oncology cases, encompassing oral cavity malignancies, neck dissections, parotidectomies, thyroidectomies and major head-neck reconstructive surgeries.

CORE SKILLS

- Advanced Airway Management: Tracheostomy & Perioperative Care
- Otology & Rhinology
- Endoscopic Sinus Surgery
- Precise surgical skills and patient care
- Head & Neck Oncology
- Clinical Decision Making and OPD consultations

- **Outpatient & Diagnostics:** comprehensive ENT outpatient clinics, flexible laryngoscopy and nasal endoscopy for accurate treatment formulations.
- **Interdisciplinary Leadership:** Collaborated seamlessly with critical care, oncology, and surgical teams to formulate and execute cohesive, multidisciplinary perioperative care plans.
- **Academic Contributions:** Presented advanced clinical research on a national platform (ISOCON 2024 scientific poster) and attended various other national conferences while actively being engaged in departmental medical audits, journal clubs, case presentations, seminars, tumor clinics and interdepartmental clinicopathological meets.

MBBS: Punjab Institute of Medical Sciences (PIMS), Jalandhar

- Delivered comprehensive daily medical care across multiple specialties, completing rigorous rotational clinical assessments following the MBBS curriculum to ensure superior patient stabilization and recovery.

CERTIFICATIONS & WORKSHOPS

- **Basic Life Support (BLS) & Advanced Cardiac Life Support (ACLS)** Certified.
- **Fellowship in Cartilage Tympanoplasty** – Awarded for exceptional clinical aptitude in ISOCON quiz 2024
- **Medical Education** – Active participant in multidisciplinary tumor board meetings, workshops and national conferences
